Dear Sir / Madam,

RECOMMENDATION FOR KWADWO ADDEAH PREMPEH

I am writing to express my wholehearted support for Mr. Kwadwo Addeah Prempeh's application to your institution to pursue a Master Degree in Organic Agriculture or Environmental Sciences with Scholarship. As Mr. Prempeh's supervisor during his employment with the Bank from 2006 to 2010, I met with him frequently to assign responsibilities and discuss the industry. I was impressed with Prempeh's writing skills, initiative, and ability to meet deadlines. Prempeh became a valued member of the Apex Bank team, and I am confident that he has a successful career in agriculture.

As an employee in our Microfinance Department, Prempeh had a number of responsibilities. He worked with members of the senior staff on various projects, including management of rural banks loan portfolios and reporting on Non-Performing Loans for appropriate action to be taken, suggesting innovative ideas to the department, and completing fact checks. Prempeh was especially skilled at seeking out new corporate customers especially those in the field of agribusiness to do business with our subsidiary rural and community banks, even introducing us to new corporations with whom we have started to collaborate. It is clear that

Prempeh has a passion for science and nature as well as the business world and a great eye for promising young entrepreneurs.

As an Agricultural Economics major, Prempeh brought a rich knowledge of historical and contemporary ways of doing business banking in this 21st century. He is self-motivated, attentive to detail, and skilled at both independent and collaborative work.

In closing, I would like to reiterate my strong support for Prempeh's application to study a Master Degree course at your institution to be highly considered. Prempeh is a talented young man driven by a passion for nature and business and contemporary communication. Please do not hesitate to contact me for any further information. Thank you for your time.

Sincerely,
